LiveAuctionsTV - Erick Schmidt, Sale Representative  
800-263-0166

**Terms:** Cash or check unless agreements are made with owners before the sale. Settlements should be made promptly with the cashier at the close of sale. No cattle will be loaded without payment or written authorization by the seller.

**Bidding:** After an animal is in the sale ring, it will be sold to the highest bidder. The auctioneer will settle all disputes relative to bids.

**Announcements:** Any correction given from the auction box on sale day will be considered the same as though printed in this sale catalog.

**Delivery:** Delivery is the buyer's responsibility, but all consignors will assist with delivery if possible.

**Guarantee:** All animals of breeding age are guaranteed breeders. All untried animals are guaranteed to be known without defects, but nothing further. Animals failing to breed after a trial of six months may be returned to the farm of the seller, in good condition. The seller reserves the right to try said animal for six months and if it proves to be a non-breeder, satisfactory exchange will be made or purchase price refunded.

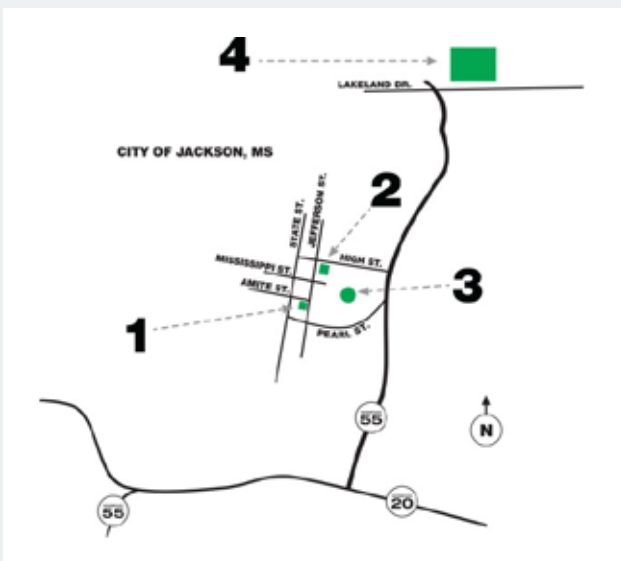

All bulls will have passed a breeding soundness exam performed by a veterinarian. Each animal will be at the purchaser's risk as soon as sold and can be moved after the settlement has been made. Other guarantees or considerations than the above will be considered on the basis of accepted policies and practices recommended by Mississippi Beef Expo Association. Through pedigree analysis and/or DNA testing, all sale cattle are IE and Diluter free. MBE and sale management act only as agents between seller and buyer.

**Health:** All cattle will have proper health certificates.

**Load out:** Cattle are available for load out as soon as the sale has concluded and settlement has been made. Please check your settlement sheet with the owner or other sale representatives be sure you have the correct animal.

**Liability:** It is understood that the Mississippi Beef Expo and any of its representatives will not in any way whatsoever be responsible for injury, accidents to animals, consignors, purchasers or visitors who attend this show and sale.

**Registration:** All animals will be transferred at seller's expense to the buyer per instructions given to sale clerks. Proper breeding statements will be given when transfers are made.

- ★ This lot of bred heifers are the "Front Pasture" kind. They are all sired by the maternal king of the show steer industry. Red Hawk has sired numerous champions across the US however his greatest contributions have been his daughters. These females are all backed by strong maternal genetics on the Dams side, as well being heavily Simmental and Angus influenced. Whether you are in the Show calf industry or you are a commercial cattleman, these females will be very versatile for any operation. Pasture exposed from 5/1 to 9/1 to SSC American Chrome (calving ease American influence herd sire).

- ★ Here is a first calving heifer that is doing a good job. This female has a desirable amount of depth and length of body. She has a level and short quartered bag with plenty of milk. I believe she is going to turn into a good brood cow. She is sired by our senior herd sire that we purchased from Tegmeir Polled Herefords in Nebraska. He sires stout and functional bulls. His females are good milkers and easy keepers. Dutchess's dam has done a good job for us and traces back to the CT Farmer 114L bull that was named Champion at the Western Nugget. This young female currently has a bull calf by her side that was born on 9-3-17. Which is sired by one of our junior herd sires, Southern Ribeye 479. That we purchased from Southern Cattle Company in Florida.

 ★ What a cow! We brought our very best to the Inaugural MS Beef Expo. She has been a standout and a beauty since birth. Most people go searching for a prospect, but this lady has already proven herself numerous times in the showing, as she was named Reserve Champion at both the 2015 State Fair and 2016 Dixie Nationals, along with numerous Grands and Supremes at County and Jackpot shows. Her dam was the 2004 National Champion in Louisville. We thought enough of this heifer that we went ahead and flushed her before breeding her to calve. She is long as a train, big boned and has a beautiful udder. She is due to calve October 6th to Red Lazy MC Detour. You will not be able to overlook this one at the Expo, she is an eye catcher and will already have a big ticket at side. AI bred to Red Lazy MC Detour on Dec. 26, 2016. Heifer calf Born Oct. 6, 2017.

Scout has earned her keep as a donor in a short period of time. She has been flushed 3 times for an average of 11 viable embryos per flush. The sire of these embryos, 5L Bourne 117-48A is sure making his mark at 5L. He sires ratio topping calves along with siring a group of bulls in the 2016 5L Bull Sale that averaged over \$8000. ★ If you like them moderate framed and soggy middled, you are going to love this double bred Mytty In Focus female. She is so easy keeping and will stay fat on air and water. She was Baylee's last Angus show heifer and did not disappoint us in the ring, as she was selected as Champion several times. But, her greatest testament so far has been her progeny in our herd. We have been using her to introduce new genetics into our Red Angus program for the past few years, they are built just like her and are flat good! AI bred to DDA FREEMAN 68F Reg# 15165535 on Feb. 4 2016. And PE to RLII League Of His Own 58 (Red Angus # 1747712) Ultrasound Preg checked safe to AI. Will calve by sale date.

★ This tremendous heifer is sired by First Class and out of Brilliance on the dam's side. She also has very good production EPDs which should fit anyone's herd. She was AI'd to Rampage on 12/10/16 and successfully delivered a bull calf on 9/12/17. However, the next day, we found the calf and it appeared to have been killed by wild dogs/coyotes (pictures are available). This lot should have been the highest selling pair of the sale. We still believe she will generate excitement! I guarantee this cow to be a breeder.

- ★ Power in the blood! 191z is a full sister to Twenty Twelve 190z, a bull siring high sellers and champions across the country - three division winners at this year's Junior Nationals alone! D709 is no different; she has the look, style, and structural flare to be a big team player - or standout in a class of her own. This little girl has power in the blood!

- ★ Here is a polled heifer with lots of tools. Start with her pedigree, her grandsire Mr. Hereford commanded \$135,000 and is still one of the most sought after bulls in the breed. 71U is a no miss cow that makes the right type of cattle! This big bellied, smooth made, good necked heifer is true in her skeleton and can move like the neighborhood cat! Watch for her sale day; she is one you don't want to miss!
